

The Asia PKI Consortium 2015 General Assembly / Steering Committee Meetings and International Symposium

Date: 17th -18th September, 2015
Venue: Jakarta, Indonesia

The Asia PKI Consortium 2015 General Assembly / Steering Committee Meetings and International Symposium "Belt and Road: Towards a Digital Economy" which was spotlighted under the "In Style Hong Kong" organised by the Hong Kong Trade Development Council (HKTDC), were successfully held on 17th -18th September, 2015 in Jakarta, Indonesia.

Chief Executive, Mr. CY Leung, attended the opening ceremony and cut the ribbon as guest-of-honor marking the beginning of symposium. He stressed in his speech that Hong Kong serves as the "Super Connector" under "Belt and Road" initiative to develop interoperability with Indonesia, which has always been one of APKIC's responsibilities by means of applying PKI technology to economic and business sectors.

The event was well attended by leaders from Republic of Indonesia Government, the information technology institutions of Chinese Government and Hong Kong SAR government; international recognized Certificate Authorities from China, Chinese Taipei, Hong Kong, Macau, India, Korea and Thailand; as well as CA representatives from Indonesia, Cambodia, Myanmar, Malaysia, Philippines, Vietnam, Japan and related organizations.
